Professional Expertise

Cole Sorenson joined the Cushman & Wakefield | CRESCO team in November of 2019 as a Sales Associate working with The Barna Caplan Team. Since then, he has absorbed everything that has been taught to him, and he is starting to become more involved in the Northeast Ohio industrial brokerage community. Responsibilities with the Barna Caplan Team include conducting & assisting with transactions, market surveys, property marketing, real estate photography & videography, and more. In his two years with CRESCO, Cole has been involved in various project types that give him a great foundation for success in the industry moving forward.
